SAINT FRANCIS SCULPTURE GARDEN

2023 East Fulton, Grand Rapids

Find contemplative peace and healing in our free outdoor nature trail. The garden pathway illustrates the life of our beloved Saint Francis of Assisi in 20 bronze statues throughout the six acres of natural beauty. The pathway is ADA wheelchair-accessible.

Although inspired by Saint Francis, we are non-denominational, respectful of all peoples of peace, love, and kindness. Thank you for your participation in our golf outing to maintain the beauty of the wooded pathway and garden. Pace e Bene!
