ABOUT SAINT FRANCIS SCULPTURE GARDEN

Saint Francis Sculpture Garden is the nonprofit responsible for the planning, fundraising and upkeep of the 11-acre St. Francis of Assisi Sculpture Garden pathway. The land is owned by the Dominican Sisters of Grand Rapids, which entered into a license agreement with SFSG because the pathway is a hand-in-glove fit with the sisters' values of art,

ecology and prayer. Throughout the year, SFSG sponsors a Blessing of the Animals, International Day of Peace and planting commemorative flowers in conjunction with area hospices.

EXPERIENCE SERENITY & HEALING IN A GARDEN OF PEACE

Saint Francis Sculpture Garden is a Michigan-based not-for-profit organization. Find contemplative peace and healing in our free outdoor nature trail. The garden pathway illustrates the life of our beloved St. Francis of Assisi in 17 bronze statues throughout 11 acres of natural beauty.

The pathway is ADA-wheelchair accessible. Although inspired by St. Francis of Assisi, we are non-denominational and respectful of all peoples of peace, love, and kindness.

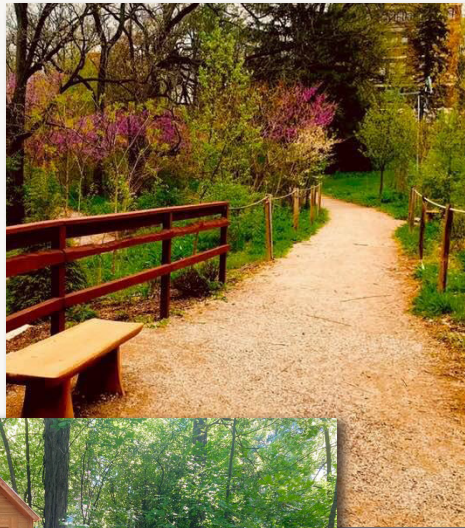

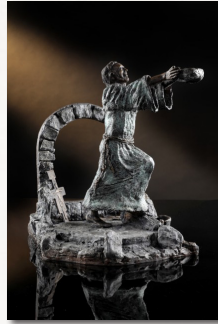

With the commitment of professional board members and architects, this garden is being built by kind-hearted donors. This vision continues to grow.

Inspired by events in the life of St. Francis of Assisi, the beautifully crafted bronze statues along the Garden trail, conceived and created by sculptor, Mic Carlson, depict St. Francis in postures of prayer, meditation, preaching and interacting with nature. They are placed in areas conducive to quiet reflection and are accompanied by storyboards sharing the life of this inspirational and much-loved saint.

The Saint Francis Sculpture Garden is a continuous evolution of art and nature, with plans for new garden sites, sculptures, meditation areas and ongoing land-scape design changes, including a new east-to-west 150' bridge installation.

We welcome you to come spend time in the Saint Francis Sculpture Garden. Bring the kids for some fresh air, or find a bench for some quiet meditation or enjoy your favorite book (or borrow one from our lending library). No matter the reason or season, your senses will be rewarded. Close your eyes and listen to the birds. Breathe. Count butterflies. Count your blessings. Leave inspired.
